

Welcome to Rentalz!

Welcome to Rentalz, your trusted platform for renting and listing properties easily and securely. This guide will help you understand how to navigate the website, use its features, and get the most out of your rental experience.

User Manuals & How-To Guides

Searching for Properties

- Use the search bar on the homepage to find properties by location, price range, and type.
- Filter results using available filters such as number of bedrooms, bathrooms, and amenities.
- Click on a property card to view detailed information and photos.

Listing a Property (For House Owners)

- Register or log in as a house owner.
- Navigate to “List Your Property” and fill in all required details, including images.
- Submit the listing for admin approval.
- Once approved, your property will be visible to potential renters.

Booking a Property (For Customers)

- Browse or search for properties.
- On the property details page, use the “Book Now” button to send a booking inquiry.
- Wait for confirmation from the house owner or admin.
- Manage your bookings via your account dashboard.

Admin Management (For Admins)

- Review pending property listings and customer registrations.
 - Approve or reject listings and customer accounts.
 - Manage booking requests and inquiries.
-

Policies

Rental Terms & Conditions

- All rental agreements are between the renter and the house owner.
- Rentalz only facilitates the listing and booking process.

Cancellation & Refunds

- Cancellations must be communicated directly to the house owner.
- Refund policies vary by property and are detailed in each listing.

Privacy Policy

- We respect your privacy and ensure your data is protected.
- Personal information is only used for booking and communication purposes.
